Meet at the Library

Wednesday morning 10 am to 11:30 am. Hope to see you there!

Tiger Woods & Stevie Wonder are in a bar...

Tiger turns to Stevie and says, "How's the singing career going?"

Stevie replies, "Not too bad. How's the golf?"

Woods replies, "Not too bad, I've had some problems with my swing, but I think I've got that right, now."

Stevie: "I always find that when my swing goes wrong, I need to stop playing for a while and not think about it. Then, the next time I play, it seems to be all right."

Incredulous, Tiger says, "You play GOLF?"

Stevie: "Yes, I've been playing for years."

Tiger: "But -- you're blind! How can you play golf if you can't see?"

Stevie: "Well, I get my caddy to stand in the middle of the fairway and call to me. I listen for the sound of his voice and play the ball towards him. Then, when I get to where the ball lands, the caddy moves to the green or farther down the fairway and again I play the ball towards his voice."

"But, how do you putt?" asks Tiger.

"Well", says Stevie, "I get my caddy to lean down in front of the hole and call to me with his head on the ground and I just play the ball towards his voice."

Tiger: "What's your handicap?"

Stevie: "Well, actually -- I'm a scratch golfer."

Woods, totally amazed, says to Stevie, "We've got to play a round sometime."

Stevie: "Well, people don't take me seriously, so I only play for money, and never play for less than \$10,000 a hole. Is that a problem?"

Woods thinks about it and says, "I can afford that.

Okay, I'm game for that. \$10,000 a hole is fine with me. When would you like to play?"

Stevie: "Pick a night."

Police officer talks to a driver: Your tail light is broken, your tires must be exchanged and your bumper hangs halfway down. That will be 300 dollars.

Driver: Alright, go ahead. They want twice as much as that at the garage.

Judge: "Why did you steal the car?"

Man: "I had to get to work."

Judge: "Why didn't you take the bus?"

Man: I don't have a driver's license for the bus.

"What is a Canadian? A Canadian is a fellow wearing English tweeds, a Hong Kong shirt and Spanish shoes, who sips Brazilian coffee sweetened with Philippine sugar from a Bavarian cup while nibbling Swiss cheese, sitting at a Danish desk over a Persian rug, after coming home in a German car from an Italian movie... and then writes his Member of Parliament with a Japanese ballpoint pen on French paper, demanding that he do something about foreigners taking away our Canadian jobs."

How to know who to marry:

You got to find somebody who likes the same stuff. Like, if you like sports, she should like it that you like sports, and she should keep the chips and dip coming.

-- Alan, age 10

-No person really decides before they grow up who they're going to marry. God decides it all way before, and you get to find out later who you're stuck with.

-- Kristen, age 10

What is the right age to get married?

Twenty-three is the best age because you know the person FOREVER by then..

-- Camille, age 10

How can a stranger know if two people are married?

You might have to guess, based on whether they seem to be yelling at the same kids.

-- Derrick, age 8

What do most people do on a date?

Dates are for having fun, and people should use them to get to know each other. Even boys have something to say if you listen long enough.

-- Lynnette, age 8 (isn't she a treasure)

When is it okay to kiss someone?

-When they're rich.

-- Pam, age 7

Wear a Poppy:

Every day Canadian Armed Forces members put their lives at risk, often leaving their families and homes behind to courageously defend our country's values and contribute to international peace and security.

They have played many important roles both at home and around the world in the years since the Korean War. Whether protecting our frontiers, working with our allies, providing humanitarian assistance, helping restore peace in troubled countries or fighting those who would deny freedom to others, the men and women of the Canadian Armed Forces have stood tall.

High River Legion: Saturday Night Gala call 403-652-3723 for more information.

-The law says you have to be eighteen, so I wouldn't want to mess with that.

- - Curt, age 7

-The rule goes like this: If you kiss someone, then you should marry them and have kids with them. It's the right thing to do.

- - Howard, age 8

Is it better to be single or married?

It's better for girls to be single but not for boys. Boys need someone to clean up after them.

-- Anita, age 9 (bless you child)

And the #1 Favorite is

How would you make a marriage work?

Tell your wife that she looks pretty, even if she looks like a dump truck.

-- Ricky, age 10
